

Garphyttan, 2023-04-11

Statement regarding California Proposition 65.

Suzuki Garphyttan AB is a world-leading supplier of advanced spring wire. Material manufactured by Suzuki Garphyttan do comply with the new consumer warning requirements promulgated by the California Office of Environmental Health Hazard Assessment (OEHHA). The California Proposition 65 regulation prohibits manufacturers from knowingly and intentionally exposing California consumers to a chemical known to cause cancer, birth defects or reproductive harm without providing a “clear and reasonable warning”.

In case any of the material delivered by Suzuki Garphyttan AB would contain a chemical listed and, in the levels given in Proposition 65, the material will be labeled with a clear warning sign as shown below.

Yours Sincerely,

Henrik Pettersson
Site manager
