

Suzuki Garphyttan

Quality Policy for Suzuki Garphyttan Group

Our products and services fulfill the demands, needs and expectations of our customers.

We prioritize quality by continuously improving our processes and by obtaining set quality objectives.

Our management system is utilized by all employees and is an active tool in our work to achieve improved and effective processes with customer focus.

We continuously develop the competence of our employees securing the right knowledge for their assignment. The objective is to reach or exceed our set quality objectives.

We continuously improve our way of work as a part of the service we provide to our customers. In cooperation with our customers, we seek long-term solutions by development and technical innovation.
